

Create a bunch of logos for my fictional website called "Zenith Coffee" ▾

Create a bunch of logos for my fictional website called "Zenith Coffee"

◆ Show thinking (Nano Banana Pro) ▾

thumb up thumb down share more

Now choose one of the 4 logos (i don't mind which since they all look good) and make a bunch of additional templates and more logos with different formats

◆ Show thinking (Nano Banana Pro) ▾

now generate only the logo (same as previous)

Describe your image

+ - o Image X
